RIBBON DESIGNS/COLORS

SUNGLASS CORDS/RETAINERS

These Guy Harvey holders have his distinctive "signature" and his artwork, which is faithfully reproduced onto a woven ribbon that captures all the detail and color of each fish. These cords are lightweight on a tubular ribbon with rubber ends tucked inside to fit medium to large sunglass frames. The length is 18 1/2 inches long and 1 inch wide.

EYEWEAR RETAINER

StarTech XL 17" Ultra-lightweight stainless steel. Has flat, low profile temples. Comes in black, pink, clear and neon yellow.

LANYARDS

These lanyards are lightweight on smooth-woven tubular ribbon with Guy's "signature" and his artwork that captures all the detail in each fish. Enclosed with a strong plastic snaphook, so it won't rust. Perfect to put a set of keys, ID badge or fishing nippers. One size fits all.

TODDLER/KID CORDS/RETAINERS

Honey! Don't forget the kids. We haven't. These are the same as the adult, but smaller in length. The length is 14 inches long and 1 inch wide.
